SEPTEMBER 1972

MAILER # 3

FANTASTIC!!

We didn't have a bourse table, this year, at the A.N.A. convention in New Orleans, but we're pleased to say that we still managed to do our share of business there. In fact, we did a total of nearly \$70,000 business over the six days of the show. We sold out close to 3/4 of our inventory, and have since added over \$65,000 worth of new purchases to our stock since the last mailer we sent out.

No matter what you're interested in, there should be something for you in this mailer. We hope you will take the time to study this carefully, and order those items you need, today. I can honestly say that I expect the coin market to continue to rise at the unbelievable rate that it has been rising at for the last year or so, for quite some time to come. So don't make the mistake of waiting for prices to come down. They just aren't going to do that. Order those coins you need now because in a year, six months, two months, maybe two weeks from now, they are bound to cost you more IF YOU CAN FIND THEM!!

Thank you,

Jim Halperin
